

- Tagging Routine

Rank 1: 01000000

Rank 2: 00000100

[MPI_All Reduce (OR)] Delta 01000100

- bt Check Refine

What blocks on my local list need to be tagged to conform to rules?

[MPI_All Reduce (OR)]

- bt Check Derefine

What blocks on my local list cannot be derefined to conform to rules?

[MPI_All Reduce (AND)]

bt check Refine

Now

do = id0, id1

check Neighbors (i)

All Reducer.

Should

for lev = 1, nlevs.

for loop MF iter.

idx = iter. next()

bid = get BTid(idx)

check Neighbors (bid)

All Reducer
